

Bethel Dominion Childcare Center After School Program

The purpose of our after school program is to serve both as a care facility and an enrichment program for children enrolled in grade school. Our teachers serve as tutors and homework completion is our primary concern.

3:15PM - Start of Care/Getting settled:
Our staff will accompany your child from their school (if local and necessary), to our daycare location.

Students will have time to come in, use the restroom, wash their hands, have a snack and get situated.

3:30PM - Homework time:
Students are required to complete all homework assignments and present to teachers to be reviewed. Once students have completed their homework, they are permitted to play independently indoors or outdoors until they are picked up by their parents.

5:00PM - Free Play and Pick Up:
The start of free play is dependent upon the time it takes to complete homework assignment. If a child is not picked up by 5:00 PM, care is considered to be extended hours.

7:00PM - Mandatory Pickup:
Extended hours are available for those in need (at a price of \$10/hour), however, all students enrolled at the Bethel Dominion Childcare Center must be picked up no later than 7:00PM.
