

## Daily Schedule

Regular daycare hours are from 9:00 am to 5:00 pm but our day begins upon arrival of the first child and ends upon departure of the last child each day. Children will be encouraged, but never forced to participate in any activity.

We offer a before and after care service to parents in need of it. This service begins at 6:00 am and is charged \$10.00 by the hour until 7:00 pm. Note: the hour will not be divided so if a parent picks up their child at 5:30 pm, they are responsible for a \$10.00 additional charge.
